Dear Parents and Guardians

Well... we did do the sponsored walk in whatever the weather! Although the weather was not kind to us, we still set out to raise the money needed for the upgrades to the outdoor learning environment.

We came up with the idea of the upgrades through the work of our PTFA—it really is gathering pace as an organisation. The form to pass on your contact details is still live here <https://bit.ly/yemptfa23> and you can be added to the WhatsApp group. They have been busy preparing for the Monster’s Ball in the last week of term. It really is shaping up to be a great event.

Speaking of great events, we will be starting our festive preparations very soon, including the now famous and imitated school raffle! Once again, we are delighted to say that there is a very exciting top prize. Details will be out soon!

It has been wonderful seeing so many of you take the opportunity to come in to school to cook with your children. Your support means the world to us.

We have our parents evening next week where you will get to speak to the teachers and see how well your child(ren) are doing. There is also our Harvest Service at the Cathedral at 10AM on Thursday the 19th where you are most welcome to join. Have a wonderful weekend—**Mr Redgrave**

Significant improvement in all year groups , as well as Year 4 maintaining their extremely high rate of attendance. It is also worth noting that Year 4 and 6 had incredibly low unauthorised attendance, with Year 4 having no unauthorised time off school. Da iawn pawb—that is a great effort from all involved.

The year average is still running a bit low. This can only improve with week on week good attendance. This week as been good , but there is still a lot of room for improvement in nearly all classes.

Lateness this week, however, is way below the standard we expect at Esgob Morgan. Unless there is a specific reason there really is no reason for the children to be late for school. We have a breakfast club that runs from 7:50 to which all pupil have access. Please ensure that you have enough time to get your children to school on time.
