Dear Parents and Guardians

We have had another busy week—please do check our social media and your child’s SeeSaw to see what they have been up to.

It is great seeing so many of you at the gate in the morning. Had a really good chat about communication. It seems the weekly newsletter is appreciated and I will endeavour to keep this up. We will look at ways of utilising our website more in order to better prepare you all for the coming week. Leave this with us.

The URDD football tournament was very early this year , even before we had started the training—please don't worry if you child wasn't selected this time—there are plenty of tournaments ahead—in fact our Year 6s are already planning there own invitational !!! Our team this time did incredibly well. They made it through to the final without conceding a goal in normal time. They only lost one nil to a large primary from Denbigh! Best of all was the feedback we received about their conduct and how well they played as team. Da lawn!

Last weekend to get your request for music in—please fill in the form if needed <https://bit.ly/yemmusic23>

Have a wonderful weekend—Mr Redgrave

On the left is the running total for this year. There has been a dip in attendance in all Year groups in the running total, except for Year 3.

Year 3 have the highest attendance this week but you can clearly see the impact illness has had on our attendance figures this week, particularly in Years 4 and 5. However, the unauthorised absences also plays a significant part in Years 4, 5 and 6. May we remind you please, on behalf of the Governing Body, that term time absence has to be agreed by Mr Redgrave. You must write in , in advance of any time off, in order for him to have time to assess each case individually. In all probability requests for holidays will not be authorised. Enough time has passed this term for Mr Redgrave to start contacting those with low attendance to see if there is anything we can do to help.

There is, now, a decrease in the number of incidences of late arrivals. Please keep this up.
