Dear Parents and Guardians

Welcome back. It's been lovely seeing you all again after, what I hope, was a wonderful festive period for you all. It's a pretty short half term but we will be working as hard as ever, especially with Wrexham AFC Community trust working with us in school, and the Year 5 and 6s gearing up for the F1 in Schools Challenge! Any issues, as ever, please do give us a shout at the school

Many thanks—Mr Redgrave

Little Lambs at Esgob Morgan

Please remember that our own after school club is now closed and Little Lambs have opened their own After School Club run on our premises. All previous users have been contacted and bookings are through them. Here are the contact details one more time:

Tel: 07708580819

Email: sam@littlelambsdaynursery

I am delighted that Sam and the team have taken over as their experience in this field speaks for itself. They have their own app and everything should be much more streamlined and efficient—all for the price we would have been moving up to anyway!

THE PLATINUM JUBILEE 2022

My Happy Mind

Hopefully the children have come home to tell you about My Happy Mind which we launched today in the school. We have often talked about resilience and how children need to learn the skill of resilience—My Happy Mind takes this into the science world and helps teach the children about their brains and how they work. It's also a great way for them to build positive relationships with other children, adults and will help build their self esteem.

School Meals

We are thrilled that the excellent work one by Denbighshire School Meals service has led to all schools in Denbighshire to be able to offer free school meals to all pupils.

As some of you will have seen we have been able to put the menus on ParentPay for you to order the exact meal. We are trialling this as we want to make sure your children are getting the food they like. It can happen that children can be left not liking anything on offer on any particular day. Please bear with us as we roll this out—it's a great way to engage with your children and you can be rest assured that you know what they have had to eat in that day.
