Ysgol Esgob Morgan is a very caring, inclusive school, which values all pupils as individuals. ESTYN 2018

Dear Parents and Guardians,

As you will all be aware there is planned strike action by members of the NEU and action short of strike by members of the NAHT.

This action has not been taken lightly and is not only about pay but also about securing the long-term availability of funds to adequately deliver the curriculum for the children of Wales into the future.

As I was about to press send on the letter informing you that school would be closed next week I had word that the NEU had postponed their proposed strike for next Tuesday the 14th.

Therefore school will be open as normal for all pupils on Tuesday the 14th of February 2023.

This does not mean all is sorted for the long term and their may still be action taken further down the line. The signs are encouraging, though.

Thank you for your support for the profession during these challenging times.

Kindest regards

T M Redgrave
