Ysgol Esgob Morgan is a very caring, inclusive school, which values all pupils as individuals. ESTYN 2018

Dear Parents and Guardians,

A warm, if belated welcome back to school after the Easter Break.

I begin this letter by, following the extremely sad news from Denbigh High School regarding one of our recent former pupils, extending our most sincere condolences to the family. We all send our deepest sympathy and heartfelt love, thoughts and prayers.

Your children will have, undoubtedly told you that we have had a slight change to our morning routine. We now open the doors at 8:45am and let the children come straight into class. This makes for a very calm and stress free start to the day at 9AM. We are going to run with it for a couple of weeks and see what the children think of it.

It has been great being back everyday and seeing you all. One thing I have noticed is that quite a lot of parents are avoiding using the one way system. I have mentioned this many times in newsletters. Although it is not legal, it really does help the morning routine. I have seen some bad congestion this week because of it.

Also, I totally understand the morning rush, but can we please avoid excessive speed on the approach to school, avoid parking inappropriately on corners or across drives and completely stop parking on the zig zag lines.

Your help on this matter is greatly appreciated—Mr Redgrave

King's Coronation

On Friday the 5th of May we will hold a "street party" on our school yard. Thank you to those who expressed their preference of sandwich! Remember you can order this, as normal, on the day. Usual school meal price. If they are bringing in their own lunch they will still be able to sit with their friends on the street party.

We're looking forward to seeing the children's Eton mess and trifles!

On the day children are invited to wear anything red, white or blue. No pressure and please don't buy anything specific.

Lets hope for nice weather to enjoy this outside!

Attendance and Punctuality

Please do let us know if you intend to take your children on holiday. Although we cannot authorise most holiday requests it is still really helpful if you write to us with the request. That way we know where all our learners are.

Please let us know if your child is off ill on the first day of illness. This avoids N codes in the register.

If you receive an N code letter please send it back with us—this is used for our records as any N codes are converted to unauthorised absences in a week. This can lead to fixed penalty notices.

Can you please ensure your child makes it to school by 9 AM. Many thanks.
