Ysgol Esgob Morgan is a very caring, inclusive school, which values all pupils as individuals. ESTYN 2018

Dear Parents and Guardians,

I hope this warm weather extends into the holiday for you all to have a great half term holiday. I want to say a huge GOOD LUCK to all our URDD participants who are travelling to Carmarthen to compete in the National Eisteddfod. It will be a wonderful experience I am sure, with memories that will last a life time.

Thanks too to all the staff who take part in activities such as these and residential trips. They receive no pay or time off for all the extra hours they do when activities such as this take place. They are happy and willing to do so for your children as they know how hard the children work and how much they get out of these activities.

There will be another Saturday for some of our learners and teachers due to our phenomenal success in the F1 in schools competition. We won 5 categories in total and came 2nd overall in North Wales. As a result we will be travelling to Leeds in July for the UK final.

The extra curricular clubs, we must remember, are indeed extra. They are in addition to all the work the staff at the school put in. We are also incredibly grateful to the help we receive from parents for things such as the sports tournaments in which we play. This week saw our girls football team head to Denbigh Town Football club to take part in Denbighshire's football competition. They played really well and did the school proud.

You may have seen a new face around the place. Roger Jones is our new caretaker and a few of you may remember him from his Denbigh High school days. We are incredibly grateful to Peter for all his hard work over the years and wish him well in his retirement and we welcome Rog to our Esgob family. You may remember we were seeking a new parent governor and I am pleased to let you know that Jason Jones has been appointed (Gov approval pending) unopposed.

Please see below for some key dates over the next half term. Many thanks - Mr Redgrave
