Dear Parents and Guardians of Pupils attending the London trip,

Well... this trip to London is certainly proving a challenge this year! As ever, we are determined to see it through for the children!

We have received notification that there is due to be a rail strike on the return journey. That means, on the days of the trip, there are teachers strikes and a rail strike!

We have been informed that this could affect the train for the return leg of the trip. It could be that the train will run as normal, however, we run the risk of having the train cancelled on the day and this is not a risk we are prepared to take.

We have, therefore, arranged a coach to bring the children back. We, then, have the security of knowing we will 100% be returning on the day intended. It eliminates all stress and anxiety from the potential of a cancelled train.

There will no extra charge for this, hopefully we will be able to claim back some money from the rail company, but it does mean we may be a little later back than initially explained. We will keep you updated on the day!

Hope this all makes sense. Any questions give us a call at the school.

Many thanks

T M Redgrave
