Ysgol Esgob Morgan is a very caring, inclusive school, which values all pupils as individuals. ESTYN 2018

Dear Parents and Guardians,

Ysgol Esgob Morgan shares the sorrow of the entire nation following the announcement from Buckingham Palace on the passing of Her Royal Highness The Queen Elizabeth II.

It was a bit a very strange feeling since we heard the news. The Queen has been part of all our lives for so long , and however one may feel about the Monarchy, one would be hard pressed to not be affected in some way. There will be a period of adjustment I am sure, but for the immediate I am writing to inform you that the official date of the State Funeral is **19 September 2022**. This day will be a **Bank Holiday** and settings that are normally closed on a Bank Holiday should close on this day as a mark of respect. **This will include schools and colleges**. Thank you for your understanding on this matter.

Normal school will resume on Tuesday the 20 September.

Attendance and Punctuality

Really pleased that our attendance has hit the ground running at nearly 98% - this has always been the aspirational target. I have noticed, this week, that some regular non attendance patterns have started again. We are here to help in every way and we will be addressing these needs more closely this year after the disruption of the last few years.

I am pleased to see nearly all children arrive at school on time. If your child is late they do need signing in by a parent or guardian. Please ensure, if your child is walking to school unsupervised, they leave in plenty of time.

Many thanks for your help.

Coffee Morning and Afternoon

Don't forget we will be running through what we do at Esgob Morgan at 9am and again at 3.15pm on Wednesday the 14th of September. Even if you have been a parent for years you will pick up some new information here and it would be great to see everyone, especially after the last few years.

We will talk through our vision, the school day, how we promote healthy eating, the uniform, behaviour expectations (and how that works throughout the school) , the new curriculum, our topics, theme weeks, extra curricular activities, pupil voice, homework, parent engagement and the Sollihull approach with Steph, our family link worker.

Hope to see you there!

A list of extra curricular clubs in now live on our website.
