Dear Parents and Guardians

Sorry for the delay in getting a newsletter out last week. These things do happen from time to time in a busy school such as ours.

There is some info in this newsletter about our sports day. You are welcome to join us on your child(ren)'s day. We appreciate that this might be over the two days if you have a child in Year 3 and 4 or 5 and 6.

For those of you who are new to the school we have two parts to our sports day. We have an all inclusive style sports day where every child takes part in an activity to build points for their house. This is what determines the winners of sports day. In addition, we have competitive races for those who wish to compete. We then run an over all Victor and Victrix ludorum race for the fastest boy and girl in the school. This will be done at the conclusion of the Year 3 and 4 sports day.

You are welcome to join us. Please arrive no earlier than 1:15 PM. There is no "best" view or seats as you will follow your child around the different stations. Could we please ask the children come to school in a top with their house colours and the rest of their PE kit.

I mentioned in the last newsletter that we are having 2 Year 5 and 6 classes next year. As part of our consultation on this we have text out a link to the families in our current Year 4 and 5 for their views. Please check for that link.

Thank you all once again for your support.

Kindest regards,
Mr Redgrave

Year 5 have been enjoying completing Wordle in the mornings. This week we made our own. Some were very tricky!

This week is Financial Education week, something which was spotlighted in our Estyn report. We will be looking at jobs, wages and linking money with feelings.

Congratulations to Lucas J year 5 who has won the first round of a competition. Each pupil designed a new character for the Ed and Bunny financial education books. Lucas' entry, Diego the Dog, will go on to the national round. Da iawn Lucas

YR WYDDFA

Our Week.....

This week we started the week with a rehearsal of our class performance realising that we only have about 4 more opportunities to rehearse before the big performance!

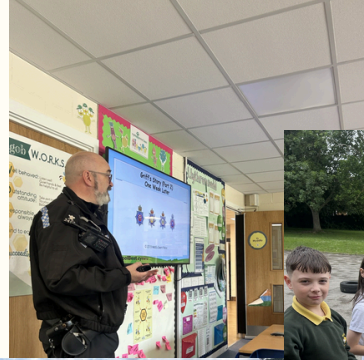

Our class was reduced by a third as some of our pupils began their enhanced transition to Ysgol Glan Clwyd this week - Pwb Lwc to all of those involved I'm sure you will be fantastic.

We have continued to look at persuasion techniques in school and we are beginning to make our programmes for our show - writing blurbs, writing key phrases and designing covers!

We also had PE practice ready for Sports Day and at the request of the class will be doing this again next week - PE Date 11/06/25

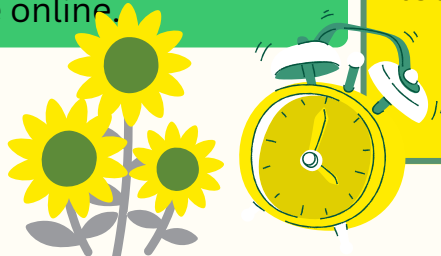

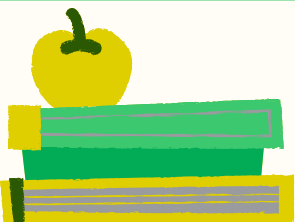

Next week is My Money Week. Another chance to look at financial education with our pupils - a recent spotlight in our Estyn report.

PC McManus also came in once again to talk about keeping safe online.

REMINDERS

Tickets are now on sale for our performance of Robin and the Sherwood Hoodies - please see a letter sent home with your child last week.

One of the highlights of our week was our visit to Bryn Derwen to take part in an Intergenerational Sports Day. The joy it brought to all of us can be seen in these images. If you have not seen the video posted by DVSC on our social media please do take a look. Thank you to Mrs Morris and Mrs Estlick for taking us for the visit.
