News

Dear Parents and Carers

This will be the last newsletter of the term as next week we have staff members out with our learners to Rotherham for the F1 in Schools National Final and with Year 6 on their trip to London. All the best to those teams presenting their work at the finals, and we all hope Year 6 have a fabulous trip to the capital.

Delighted to let you all know that Callie is our new permanent school cook. I have know Callie for years and know she is an excellent fit for our school family. Delighted to Welcome her to Team Esgob!

There is a new menu in place for after Easter. This has been emailed to you but it can also be found in this newsletter.

Also in this newsletter is information about activities for half term. One activity our Year 5 will be doing, and I am glad I can now speak about it, is that they will be playing the Samba Drums for the King and Queen when they visit St Asaph on Maundy Thursday. I will be in touch next week with all the details for the day. I hope they can all make it!

Parents evening was very well attended and overwhelmingly positive. Thank you for all your support this term and we will see you on April 13th.

Have a great weekend and 2 week break.

Warmest wishes,

Mr Redgrave

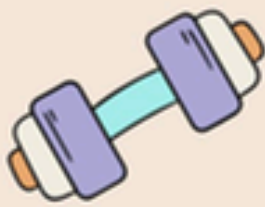

The poster features a white background decorated with various Easter-themed illustrations. There are four stylized bunnies: a light blue one in the top left, a yellow one in the top right, a yellow one in the bottom left, and a light blue one in the bottom right. Scattered throughout are several flowers in shades of pink, yellow, and purple, along with small hearts and large, pastel-colored Easter eggs (yellow, pink, and light green). The main title is written in large, bold, purple letters with a dark purple outline.

EXPERIMENT - CREATIVE ARTS WALES

Criw Cymraeg have been fortunate to receive a grant for an exciting new 'experiment' project. We are currently working alongside our Creative Agent, Greg Woolley, and are meeting with an artist in the coming weeks to get started on our project.

Criw Cymraeg would really appreciate it if you could complete the form below to gather data. We only received 19 responses in our last appeal!

The graphic is a vertical rectangle with a dark purple background. At the top left is a logo of three white triangles of increasing size, followed by the text 'dysgucymraeg.cymru' and 'learnwelsh.cymru'. In the center, a light blue box contains the text 'Mwy o bobl nag erioed yn dysgu Cymraeg'. Below this, the text 'More people than ever learning Welsh' is written in white. The bottom half of the graphic features three photographs of people: a man with a beard and glasses at the top right, a young man with blonde hair at the bottom left, and a woman with glasses and a pink scarf at the bottom right. The background is decorated with various geometric shapes like triangles and diamonds in shades of blue, purple, and white.

MEET OUR ENTERPRISE TEAM

Hello! We are the new Enterprise Team at Esgob Morgan. We applied for this role as part of our school economy. Our job is to support the PTFA in raising funds for our school. We will be stocking our school shop whilst also buying much needed things to help with our learning. We have been designing posters for upcoming events and thought a page on here where all posters are shown would help.

MOEL FAMAU

Another busy week has gone by in Dosbarth Moel Famau. I'd like to thank all parents who attended Parent's Evening. It was a lovely opportunity to share with you all the wonderful learning taking place and to hear from you. As always, if there is anything that crops up, please feel free to speak to me at the end of the school day or arrange a meeting - I'm here to listen and support! Diolch yn fawr - Mr Morris.

OUTDOORS

How lovely has it been to see some sun after what seems such a long time?! Blwyddyn 3 used this as an opportunity to get outdoors and open the doors to our curiosity, awe and wonder. We got to work with a friend to create a clay model and hide it for someone in our school community to find.

REMINDERS

The following should be brought to school daily:

Reading Books and Reading Record
Water Bottle

CHECK-IN

We had a check-in this week with our emotions and how we were feeling being present in the moment. This activity was very insightful where learners were given the opportunity to express themselves.

Remembering Wil

Some of you may not remember Wil. Wil was a very popular pupil of our school up to him leaving 5 years ago. He had a cracking sense of humor and certainly kept us all on our toes. A lovely boy with a great character and we have known the family for years.

Tragically, we lost Wil a few years ago leaving a huge hole in his family's life.

His Auntie, Shannon Gage, who is also well known in the area, is taking on a daring challenge to raise money for Ty Gobaith as this charity helped the family at their most difficult time and is close to our hearts.

She is going to abseil the **84ft descent down St Asaph Cathedral** in memory of Wil. Shannon says "It will be three years since Wil's passing, and as we're both originally from St Asaph, it felt fitting.

He was a fun person and I thought he would have enjoyed it. So when I saw it advertised, although not a fan of heights, I booked it straight away.

We wholehearted support Shannon in this worthy fundraiser for such a top lad. It would be great if you could also support Shannon in her daunting task. Please go to...
